**QUEENSLANDS
LONGEST
RUNNING
SNAKE PIT**

RESTA has been presenting at shows and festivals for over 10 years, and as such has developed a reputation for being a 'must see' presentation by event attendees. RESTA's NEW 'Festival Package' guarantees to provide you maximum value and deliver a unique & memorable reptile experience for the patrons of your event.

Show Pit

Our signature show, the Show Pit is self-contained and provides maximum audience visibility and engagement.

Features:

- Unique octagonal entertainment space
- Venomous snakes and pythons, lizards and crocodiles with a focus on reptiles common to the local area
- Operating from 9:00am until event close with a minimum of 3 presentations daily
- Reptiles remain on display between safety presentations with staff onsite to answer any questions & interact with patrons
- Presentations can be coordinated to work with and around other entertainers and your venue
- Requirements: 8m x 8m space and access to power

Creepy Crawlies

Our brand new Creepy Crawlies walk through display will delight the brave and educate even the faint-hearted, with a minimum of 10 boxes containing live spiders, scorpions and giant cockroaches, plus enclosures filled with leaf and stick insects.

Requirement: 6m frontage x 3m depth

FREE Nature Education Displays

8 BRAND NEW nature education displays that are jam packed full of photos and information about a range of animals to perfectly compliment your Show Pit or Creepy Crawlies demonstrations! You are able to choose one of each of your favourite list one and one list two displays:

List One- Endangered Species, Fish, Butterflies & Moths or Mammals and

List Two: Pest Species of Australia, Birds, Sharks & Whales or Frogs.

No live animals are involved in the nature education displays and it is contained within a 3x3m marquee situated next to the major display/s at your event.
